foreward

We, the Student Staff, present this yearbook—"THE STUDENT" so that we may, in the future, look back and remember our happy days in P.H.H.S.

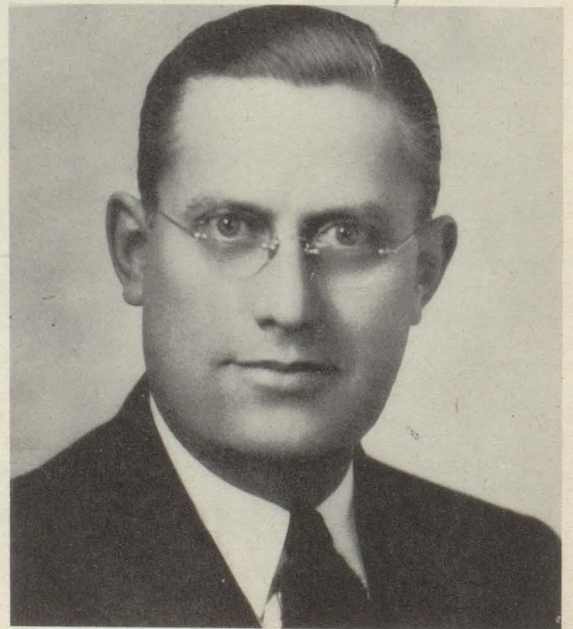

administration

We should like to show our appreciation to Mr. Tomlinson for his patience with us during our high school life. His well known stories, good nature and assistance have helped to make our three years happy ones.

The class of '45 wishes to thank Mr. Crull for his patient guidance and assistance throughout our three years of high school.

Miss Rowe was the guiding hand of our June '45 class. She always took a deep interest in any project which we undertook. She has been a friend as well as a teacher and we shall never forget her.

With the cooperative spirit of Miss Warren leading the way, the January class of '45 was able to accomplish much. We owe our thanks to you, Miss Warren.

Mr. Ritter, our new teacher of drawing, electricity and wood work, was formerly a tool designer at the Kelvinator Corp. We are **EXTREMELY GLAD** to have him with us.

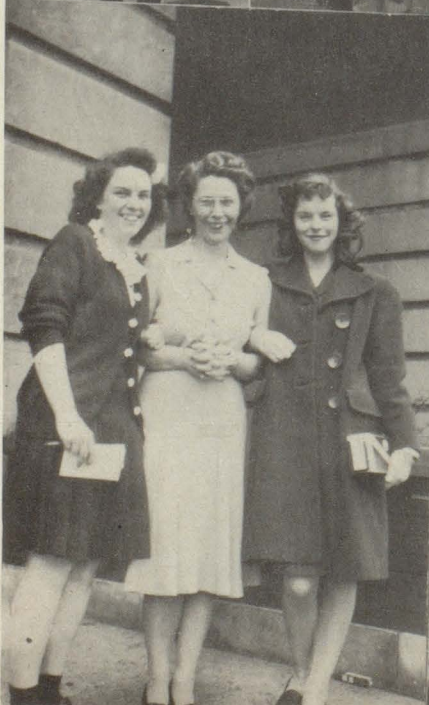

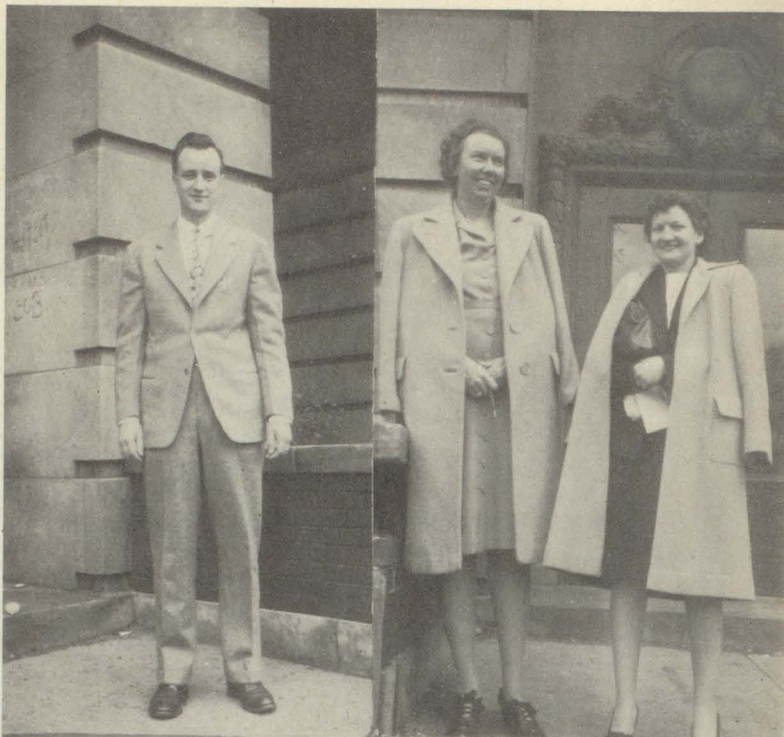

A very civic minded person and one of the class's most ardent and efficient supporters. **YEAH FOR THE STADIUM! !**

Our congratulations to Mrs. B. for her swell productions of the two Senior plays. **Hear** tell that the kids all had a wonderful time while working for her.

The Three Muskateers from the gym. Taking roll, Will? Mr. Anderle sure does look happy about something. Brick stands in front of the sweet old gym dreaming of the Memorial Recreation Park.

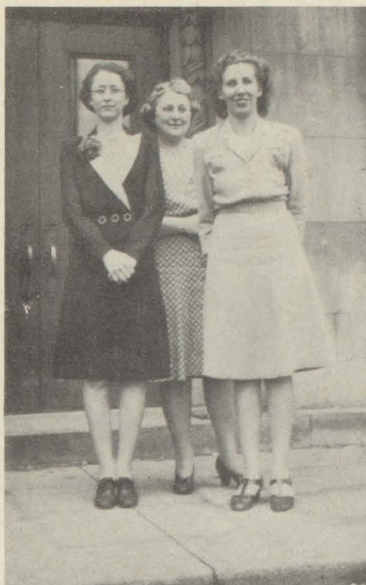

Two of the better known "Brownies" hard at work. Poor Miss MacLaren ! Seems as though Charron and Calhoun are always on hand when there is a need for a little apple polishing. Oh well, at least they're busy.

Mr. Tomlinson consented to pose for a shot in front of the dear OLD ALMA MATER. Maybe some day he can be posed in front of a NEW school.

Miss Edwards, Miss Winborn, and Miss French make a very striking "pic" posed in front of the dear OLD PHHS.

Two of our Social Science profs with the guiding beacon of the Lighthouse on the right.

The Friendly Four, posed in front of the milk truck. Smile Pretty ! I wonder if they all drink milk.

The Misses French and "MO" Moore. Whatcha looking at ladies? Are we seeing things or are those houses crooked?

The two pin up girls of our fair hall of learning. Huba ! Huba ! Huba ! Pick up the piece of paper and keep the campus clean.

Doesn't John Powers know a good thing when he sees it? A lovely picture of a lovely lady.

JANUARY SENIOR PLAY

Under the direction of Mrs. Gladys Baumgartner, the January class presented its sparkling comedy entitled "Spring Dance."

The play revolved around Alex Benson who is attending a girl's college in New England. Alex has set out to catch Sam Thatcher with whom she has fallen in love. Sam is the roving type and wishes to see the world with The Lippencott before he settles down. Finnally, after much humorous and delightful comedy, Alex gets her man.

FOOTBALL

Harry Anderle was the new football coach at Port Huron High School this fall. With six lettermen back and a host of new candidates Coach Anderle put together a small but aggressive team. Despite numerous injuries to the regulars, the "BIG REDS" won three games while dropping four contests; they tied Mt. Clemens and retained possession of the "Little Brown Jug".

The "BIG REDS" opened their schedule against East Detroit on our home grounds. Although the Shamrocks had a much heavier team, ranging from about 188 to 200 pounds, they were sent home reeling from a 21-7 defeat. The feature of this game was a 70 yard dash by Kenny Washington.

The Red-Whites journeyed to Bay City the next week and tangled with the powerful Centralites. The Locals emerged at the top end of a 13 to 6 score. John Hazley added to the excitement of the game with a couple of long dashes.

Against Cranbrook the "BIG REDS" lost 13 to 7 although they outplayed the "Cranes" all the way. The spectators that crowded the Cranbrook stadium saw John Hazley dominate both offensive and defensive play.

Traditional rivalry flamed anew October 13 as the majority of our student body trekked to Mt. Clemens to witness the annual football battle. After an action-packed contest the scoreboard read: Mt. Clemens, 14; Port Huron, 14. The "Little Brown Jug" returned to its former abode in P.H.H.S. for another year. The work of Regier and Hazley stood out for the Reds.

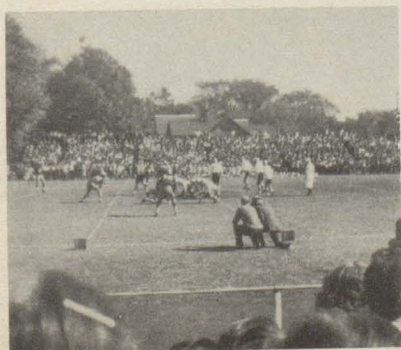

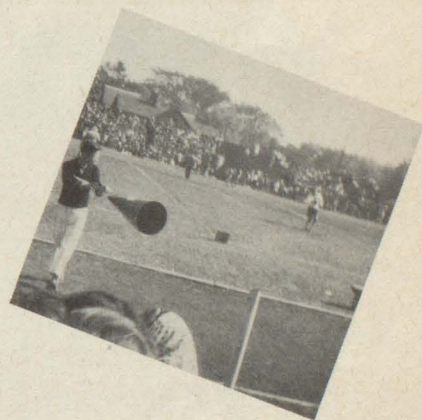

The following week Jackson sent our team down to defeat, 51-7. Although the score was rather top-heavy, we were the first team in the state to cross Jackson's goal line and the Reds played swell ball against their powerful and heavier opponents.

Ferndale came to town the next week, bringing with them a trophy to fight for. The lettermen of PHHS and Lincoln High set this trophy up as an incentive between the two schools. Ferndale had their name engraved first, turning in a 12-0 victory.

The resourceful Reds opened an offensive attack on Van Dyke and swamped the Lincolmites to the tune of 28 to 0. Don Richards thrilled the spectators with a 101 yard dash.

The Big Reds wound up their 1944 schedule with a triumphant 24-6 victory over Grosse Pointe. Hazley carried the ball every play in the last half.

Letters were awarded to Kenny Washington, Wayne Bovee, "Slick" Callahan, Sid Zuechke, John Hazley, Don Richards and Dick Cain----- men in the backfield. Linemen who received PH's were Ken Whittican, Dave Staiger, Lowell Schiller, Wally Rinz, Ray Everitt, Andy Balough, Calvin Stein, Ed Carter, Charles Falk, Carl Henry, and Warren Bowerson. Ken Whittican and John Hazley were co-captains. Managers letters were awarded to Bill Willey, George Wilson, and Henry Riehl.

BASKETBALL

The basketball outlook for this season seemed dubious when Coach "Brick" Fowler first issued his call for cage candidates. He had lost practically all of the first ten from the previous season, Wayne Bovee and Ray Everitt being the only remaining lettermen from last year's squad. Although they were small and comparatively inexperienced, the "BIG REDS" ended up with a record of eleven wins against seven defeats.

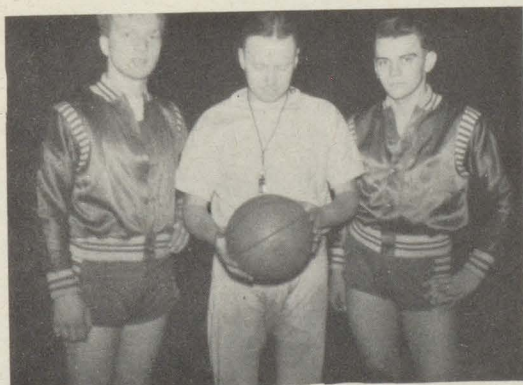

The Fowlermen opened their schedule December 5 on their home court by edging out East Detroit 18-17, in a thrilling point-for-point battle. That same week-end a tall and powerful Flint Northernns team invaded the Red's home grounds and came out on the long end of a 23-13 score. On December 9, the representatives from P.H.H.S. journeyed across the river and fought their way to a 24-23 victory over a tall London, Ontario team. Then Birmingham added their scalp to the "BIG REDS" collection on December 15, with the scoreboard reading: Port Huron...31, Visitors...6. The next week-end our boys trekked to Lansing Sexton but were defeated 36-24. But Sexton went on to win the Class A State Championship in the tournament finals and Port Huron played grand ball against this championship team. December 29 we were invaded by Toledo bby But this tall and rangy team soon fell victim to the Red's determination and went down to defeat, 27 to 16. Our traditional rivals from Mt. Clemens came to town the following week but the victory-hungry Reds sent them home reeling from a 31-13 defeat. Royal Oak

was our guest the next night but the Port Huron team vanquished them by a score of 29 to 21. On January 19, the Fowlermen tackled the Monroe team and after going into a thrilling overtime period, emerged at the top of a 32-31 score. Following this game, Toledo Libby defeated us on our home court 37-30. This was the last game for co-captains Ray Everitt and Wayne Bovee, and for Ken Washington and Ken Whittican. The reformed Reds celebrated their last home game February 9 by beating Cranbrook 27-20, but suffered defeat, 54-31 at the hands of Birmingham the next week. Continuing their out of town travel the small but determined "REDS" journeyed to Ferndale and beat Lincoln High for the second time this season, 30-24. Cranbrook avenged their earlier defeat by subduing the "REDS" 34-er. The last game of the regular season was played on the Mt. Clemens court with the Bathers winning, 40-27.

On March 7 Port Huron entered the Regional Tournaments at Ferndale and defeated the highly favored Hazel Park team, 30 to 23. Two days later the "BIG REDS" played a brilliant game of ball against a taller Pontiac team but the Chiefs used their height to good advantage and beat the battling Reds, 42-32.

At the annual basketball assembly, "Brick" awarded letters to co-captains Wayne Bovee and Ray Everitt, Jerry Alexander, Don Thomas, John Hazley, Ken Whittican, Albert Phare, Ken Washington, Bob Evans, Dick Collins and Chuck Perkins, and managers Bob Welch, Warren Bowerson, and Jim Regier. Don Thomas was announced as captain-elect for next season.

The Clarence Phare Memorial Trophy given annually to the boy outstanding in sportsmanship and for his love of the game was presented to Albert "BUTCH" Phare by Fred Vincent, Times Herald sports editor.

BASEBALL

With the formation of the new league in which Port Huron High is included, our baseball schedule is larger and more extensive this spring. Coach Al Dimon issued an early call for candidates and found five lettermen from last year's team---John Hazley, Dick Cain, Jerry Alexander, Joe Zauner and Jim Rigier. However, a large number of candidates turned out for early practices and a promising team is in the making.

This year's schedule includes one game with Marysville and two games each with East Detroit, Hazel Park, Ferndale, Birmingham, and Mt. Clemens.

TRACK

This sport has returned to Port Huron High School after a few years of absence, and will be coached by Harry Anderle. A large number of boys have signed up for the various track events---dashes, hurdles, broad jump, shot put, etc., etc.

The track schedule is as follows:

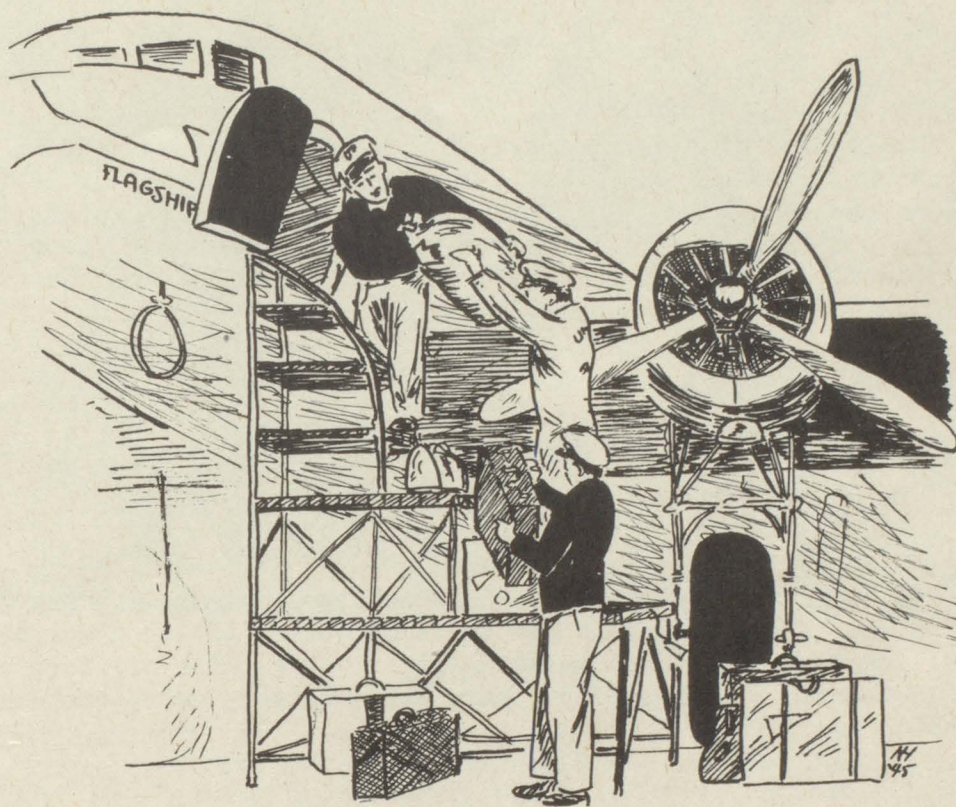

May 1 --Port Huron at Marine City
May 15--Port Huron at Birmingham
May 19--State Regional Meet at Ferndale
May 22--Port Huron, Ferndale, Hazel Park at Hazel Park
May 26--State Track Meet at Lansing
May 28--Port Huron at Mt. Clemens

TENNIS AND GOLF

Tennis has returned to the athletic schedules of Port Huron High this spring, partly due to our inclusion in the athletic league. Coach Fowler has lined up two matches with Mt. Clemens, one here and one there, and is working on tentative matches with St. Stephens, Ferndale and Marysville.

Golf also makes a rejuvenated appearance this spring after a short absence. The golf team has, so far, been scheduled to meet Mt. Clemens here and a return match there. Tentative matches are planned with St. Stephens, Birmingham, and Ferndale.

FRIDAY NIGHT "SPOTLIGHT"...MARCH 23, 1945

The annual presentation of the "Spotlight", an amateur program by High school students, was enjoyed by a large audience. Ned Hubbell and Charles Tallmadge, masters of ceremonies, announced the acts. Francis Boynton opened the program by singing the "Star Spangled Banner", accompanied by Carolyn Sorenson. The boys of the choir presented "Sweet Little Nellie" which was followed by a breath-taking acrobatic roller skating act. Carmen Sari was next in the spotlight, singing two popular songs. Roger Locke played two pieces on his accodian. The Speech II class, directed by Mrs. Gladys Baumgartner, presented a mock wedding. Elaine Bettinger was student director. A boys' swing band called the "Sentimentalists" played an encore after playing three popular selections. They were followed by a girls' sextette who sang two songs. Grant Forsythe played Scottish melodies on his bagpipes. The audience roared at the antics of members of the faculty who presented a square dance. A clarinet trio played "Clarinet Polka". High school students from the Youth Fellowship of the First Methodist Church presented a miniature minstrel show, directed by "Scotty" Hanton. The closing number of the Friday edition of the "Spotlight" was "God Bless America".

DUNBARTON OAKS ROUNDTABLE

The roudtable on the Dunbarton Oaks Conference was one of the finest assemblies ever given in High School. Ned Hubbell, the very able chairman, was assisted by Janice Borock, Jack Montrose, Wally Rinz, Joyce Furman, Doris Dell, Howard Radford, Alvin Lewis, Carolyn Wargowski, and Patsy Parkin. Carolyn Wargowski explained the underlying organization policies, mainly, the general assemble, the security council, and the secretariat. Other members of the panel presented questions and answers, thus expressing their own views on some of the main problems which would eventually arise. It helped each student to understand the difficulties which will face the world and the importance of a post-war organization that will promote peace among the nations.

THE STADIUM

At last Port Huron is waking up! And we might add it's about time! .. Other cities smaller than ours, have thereby enjoyed the fruits of exciting football and baseball games - not to mention track, tennis, and the other sports. - Those supporting the work of the Port Huron District Foundation may well be proud of the efforts exerted in this behalf. The finished product will not only be devoted to healthful recreation, but it will remain as a living memorial to all boys who have served in World War II.
